Dear Mr. Lee:

This letter acknowledges your recent phone conversation with Mr. George Radford wherein you were invited to attend a Technical Review Committee Meeting. The meeting is set for Thursday, February 20, 1992, at 1:00 p.m. and is expected to last until approximately 4:00 p.m. The meeting will be held at Building 1 in the Facilities Conference Room #250. The enclosed maps will assist you in locating Building 1, and parking is available in the rear of the building.

Also, find enclosed a list of documents that have recently been submitted to you by our contractor, Baker Environmental, Incorporated. Specific site discussion from these documents will involve the Hadnot Point Industrial Area, Storage Lots 201 and 203 (Site #6), the Marine Corps Air Station, New River Mercury Dump (Site #48), and the Rifle Range Chemical Dump (Site #69).

We appreciate your continued interest in our Installation Restoration Program and look forward to seeing you here on February 20, 1992. If you have any questions or comments, please contact Mr. George Radford, Installation Restoration Program Manager, Environmental Management Department at telephone (919) 451-5093/5094.

Sincerely,

ROBERT L. WARREN  
Assistant Chief of Staff,  
Environmental Management  
By direction of the  
Commanding General
