RE: MCB Camp Lejeune
Draft Record of Decision for Interim Remedial Action at the
Shallow Aquifer, Hadnot Point Industrial Area

Dear Mr. Rakowski:

In light of the fact that the referenced document is still under consideration, and the twenty (20) day extension that we requested in our letter to you of August 12, 1992 will expire September 4, 1992, we propose the following: that the parties to the MCB Camp Lejeune, Federal Facilities Agreement extend the period for review and comment on the referenced document for an additional thirty (30) days. If this is acceptable, please indicate your approval by facsimile as soon as possible at Fax #(919) 733-4811.

If you have any questions, please contact me at (919) 733-2801.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Peter Burger". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

E. Peter Burger, PE
Environmental Engineer
Superfund Section
