Quarterly Groundwater Monitoring Report  
Operable Unit No. 5 - Site 2  
Marine Corps Base (MCB) Camp Lejeune, North Carolina

Dear Ms. Landman:

I am pleased to submit on behalf of Baker Environmental, Inc. (Baker) one bound and three unbound copies of the Quarterly Monitoring Report for Operable Unit (OU) No. 5, MCB Camp Lejeune, North Carolina. The report describes the activities completed as part of the monitoring program at Site 2 during the third quarter of 1996. Two copies of the quarterly report have been forwarded to Mr. Neal Paul at MCB Camp Lejeune. Additional copies of the report have been distributed according to the attached transmittal letters. A larger binder has been provided so that future quarterly reports may be incorporated.

I look forward to discussing the findings and recommendations of this report during the upcoming Partnering Meeting at MCB Camp Lejeune, scheduled for November 6 and 7, 1996. Comments and suggestions received during the meeting will be considered for incorporation into the Quarterly Monitoring and Treatment System Evaluation Report for OU No. 1, to be submitted November 21, 1996.

Please contact me at (412) 269-2051 or Mr. Matthew Bartman (Activity Coordinator) at (412) 269-2053 with any questions or concerns you may have regarding the report.

Sincerely,

BAKER ENVIRONMENTAL, INC.
