Dear Colonel Dalzell:

The Board of County Commissioners recently discussed your request for an individual to be appointed to the Technical Review Committee. Since this committee's function is to review and comment on proposed actions to clean up sites of environmental contamination it was felt that it would be appropriate for the County to be represented by Mr. Cameron Lanier, Environmental Health Supervisor, in the County's Health Department.

Mr. Lanier's mailing address is 612 College Street, Jacksonville, N.C. 28540, and he can be reached at 347-2154. I have advised Mr. Lanier of the Commissioners' action in appointing him to this committee, and he will be expecting to receive some materials and notices of meetings from you in the near future.

We appreciate the opportunity to be able to appoint a representative of the County to this committee, and please contact me if you require any further action by Onslow County.

Sincerely yours,

  
R. G. Leary  
County Manager
