Re: Submittal of Draft Repair Report  
North and South Treatment Plants, Site 78  
Contract N62470-93-D-3032; Delivery Order 0118  
MCB Camp Lejeune, NC

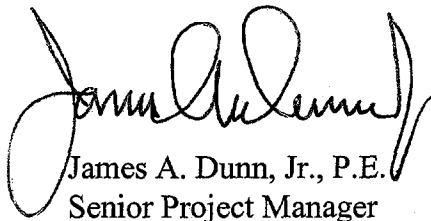

Dear Ms. Landman:

Submitted for your review and approval is the attached Draft Repair Report for the North and South Treatment Plants at Hadnot Point, Site 78, MCB Camp Lejeune, N.C. This report details the activities conducted to clean the plants and restore their operating capacity. Included as the final section are OHM's recommendations regarding the plants.

Our technical staff is currently updating the drawings and Operation and Maintenance Manuals for the plants provided by O'Brien and Gere.

We have provided copies of this Draft Repair Report to the base operating personnel for review and comment. Please forward all review comments to my attention at your convenience. After receipt, a presentation will be scheduled at the base. Thanks in advance for your cooperation.

Very truly yours,  
**OHM Remediation Services, Inc.**
